Grooming Request Form When Boarding

I understand that by giving instructions on how I would like my pet to be groomed, while staying at Highland Animal Hospital, does not guarantee that my pet will be seen by the pet stylist, unless I have made previous arrangements prier to drop off. By signing this form I release all responsibility of the pet stylist if I do not like the groom due to the interpretation of the instructions given by me (or the one dropping off the pet). I fully acknowledge that Highland Animal Hospital's policy is not to give refunds for services already performed.

Owner's instructions for pet being groomed:
